A new Special Issue *Electro-mechanical Analysis of Coupled-Engineering Systems* ([http://www.ajmie.org/sinfo/248004](http://www.ajmie.org/sinfo/248004)) has been launched in *American Journal of Mechanical and Industrial Engineering* ([http://www.ajmie.org](http://www.ajmie.org)). This Special Issue intends to collect research achievements concerning Coupled-Engineering Systems. Novel insights as well as fundamental research on the topics are warmly welcomed. Your submissions along with your ingenious works are expected.

**Lead Guest Editor**

Lead Guest Editor: Alireza Babaei  
Affiliation: Department of Mechanical Engineering, University of Kentucky, Lexington, Kentucky, USA

**Paper Submission**

Potential authors are humbly requested to submit an electronic copy of their complete manuscript via [http://www.ajmie.org/submission](http://www.ajmie.org/submission)

**Topics of Interest Include (but not limited to):**

- Numerical and Exact methods in advanced engineering mathematics  
- Machine learning and data science with signal processing techniques  
- Interactions of dynamics and fluids, and thermodynamics  
- Nonlinear dynamics and vibrations  
- Micro and Macro-scale electro-mechanical systems  
- Multidisciplinary engineering

**Important Dates**

Submission Deadline: **Feb. 15, 2020**  
Publication Deadline: **Apr. 15, 2020**

**Join as Guest Editor**

For scholars who have intention to join the special issue as guest editor, please check out the link below:
